

## Internal Posting – Diesel Mechanic

Button Oil Company is looking for two mechanics to join our team at our Mountaintop location! One position is for day shift, the other for afternoon shift. Experience needed in basic mechanic skills, such as brakes, oil changes, PM's, transmissions, clutches, etc. Experience on tractors and trailers required. The following experience is preferred but we are willing to train: welding, diagnostics and fuel truck experience. A CDL A is required. Tanker and hazmat endorsement will be required upon offer.

Eight hour shifts with a paid lunch are available and have start time windows of between 6 am to 8:30 am (i.e. 6-2; 7-3; 8-4) OR 2 pm to 4 pm (i.e. 2-10; 3-11; 4-12). There is an on-call rotation of one weekend every four weeks. Tools are provided but should be supplemented with your own tools. A comprehensive benefit package is available with insurance on day 1. Benefits include health, dental, vision, company 401(k) match, generous paid time off, employee discounts and more. Pleasant work environment.

If interested, please submit a resume or complete an internal application and give it to Donna Hudak by March 11, 2022. **A referral bonus of \$1,000 is available for this position.** See HR for details.
